Message from EMC Promotions

Dear EMC Member,

Welcome to the 9th edition of the EMC Promotions newsletter. We would like to thank revelers for their continued support and patronage over the year. In addition a heartfelt welcome to our new revelers who have joined the EMC Family. **Please check the website guestbook for feedback on previous events.**

It is imperative that revelers leaving the premises adhere to our '**End of Night Policy**' which requires due care and consideration is given at all times. Muswell Hill is a very affluent area - we need to respect the neighbours with the noise level when people are leaving the venue.

To assist with the noise issue, the Pavilion has recently improved the premises by sound-proofing the building with double doors on entrance to the reception and to the smoking area.

As a reward for respecting the peace of the local residents we have been granted a license until 4:30am. If we continue to keep the noise levels to a minimum there should be no problems with us continuing to obtain an even later license thus ensuring that we have a great night of entertainment.

We're All In this thing together

On this night we were all in this thing together. This was the first event after the boat fiasco and the June cancellation, and yet the attendance was good. The birthday parties which were celebrated upstairs with a meal provided me with feedback of excellent and would recommend the entire ambience.

Any Time, Any Place, Any Where

A when the whole place was singing from about 1am, all the men were well groomed and dressed to impress and as always the ladies looked first class. And a big-up to all those who celebrated their birthdays on that night.

Feedback from revelers' was "what a wicked night". The music was on point and the birthday parties who purchased the special occasion package meal gave the Tropical spice chef 10/10 for presentation and customer service and expressed that the food was excellent. Take My Hand Guest Dj Brookie Nightlife from Nightlife Experience

Was a full house, the whole place was on fire with lots of birthdays. Big up to Brookie Nightlife for bringing in the North/West flavour to the PRIVATE AFFAIR - you're blessed. On the night we had a special guest the legendary singer Sylvia Tailor, from what I could see Sylvia had a wicked time.
